The Crete Woman's Club is pleased to announce that it is offering 2024 summer camp scholarships to all students in grades 3 thru 11 who reside in School District 201U boundaries.

We are offering summer camp scholarships worth up to \$350 each:

- Music scholarships to students interested in band, orchestra or choral music.
- Athletic scholarships to students interested in attending a sports camp.
- Art scholarships students with a strong interest in art.
- Drama scholarships to students with an interest in theater.
- Enrichment scholarships to students for any summer enrichment program that would further the student's academic interest.

A sample application and a poster to put up on a bulletin board are attached. I am also sending this information to the school's PTO so that parents can be informed of the opportunity to apply for summer scholarships.
